Apex Powelec

<https://www.indiamart.com/apexpowelec/>

We are the manufacturer and trader of a huge array of UPS system, Commercial Stabilizer and many more. We are also the service provider for Repairing Service, Maintenance Service and Installation Service products.

About Us

Apex Powelec came into being in the year **1996** as a **Partnership** firm with its business premises located at **Chennai, Tamil Nadu (India)**. Our company is working in industry as a manufacturer and trader of our product range which include UPS System, Commercial Stabilizer, Automatic Power Factor Controller, Digital Inverter and many more. We are also a service provider for Repairing Service, Maintenance Service and Installation Service. Our products are extensively demanded amongst our valued clients owing to their impressive quality, modern features and cost-effectiveness. While developing, our engineers have keenly laid emphasis on ease of operation of these machines so that users can easily operate them. The company has a long list of reputed clients like Apollo Hospitals, Controller of Defence Accounts, BSNL Chennai, Metropolitan Transport Corporation, OIC Signals-Defence etc. Our company is well known in this sphere for our best quality services and products. Due to the excellent services offered, it is the preferred choice among the customers. **Mr. V. Vengadesan** is the Partner of the company and he is responsible for leading all corporate affairs of the company. He, with his brave ideology conducts market surveys and analysis for understanding the requirement of the market. He has recruited a number of competent workers who aim to render effective and efficient solutions in the market at congenial prices and quality integrated...
