About Us

Embarked in the year **2000**, **Apna Traders** is a widely accomplished **Manufacturer** and **Trader** of **Refrigeration Compressors, Hermetic Compressors, Air Cooling Compressors, Cooling Condensing Unit, Air Conditioner High Vacuum Pump, AC Gas Recovery Machine, Cold Room Compressor**, etc. We have made a good association with the industry's best vendors, to obtain raw material that is used in our production unit. All these products are made under the expert guidance to deliver maximum quality to our esteemed client base. In order to have trouble-free execution of tasks, we have built a sound infrastructure set up. Its widely spreading area is sectioned into several wings such as processing, quality checking, storage and packaging to have efficient working.

Through indomitable will and dedication of our mentor **Mr. Salim Lota**, the company has been able to gain a strong foothold in this competitive market. His constant motivation and an optimistic attitude have inspired us to put our best efforts.
