Apple Biotech

<https://www.indiamart.com/apple-biotech/>

Apple Biotech is one of the leading pharmaceutical **manufacturing** and **exporting** company in India dealing in superior quality of **Pharmaceutical Syrup, Pharmaceutical Tablets, etc.**

About Us

Apple Biotech is one of the leading pharmaceutical **manufacturing** and **exporting** company in India dealing in superior quality of Pharmaceutical products and Nutraceuticals.

Apple Biotech is committed to ensure that every product it manufactures meets with internationally accepted standards of quality, purity, efficacy and safety. Apple Biotech was founded by late **Sh. Naresh Bansal** and is now managed by **Sh. Vishal Bansal** (M-Tech from The University of Sydney, Australia).

We have our Own Manufacturing unit of Pharmaceutical Formulations which is well compliant with **GMP** standards. We also have **ISO 9001:2008** certifications. We have wide variety of Product Range in different Sections and Categories which is being supplied to Domestic as well as International markets.
