# Bhagwati Enterprises

<https://www.indiamart.com/apris/>

We are a distinguished manufacturer, supplier and exporter of a comprehensive array of **Mens Apparels**. These apparel are known for their unique designs, quality stitching, fine finish and skin friendly nature.

## About Us

Established in the year **2001**, we, '**Apris**', have become one of the most respectable names involved in manufacturing, supplying and exporting a broad range of **Men's Shirts, Jeans and Trousers**. All of the products supplied by us are manufactured using premium quality of fabric, including superior cotton fabric, threads, buttons, dyes and other products. Maintaining highest standards of quality, these products are assured on the parameters of fine finish, color fastness, stitching and designs. Our well equipped infrastructural facilities and proficient professionals are the our support system of our business and are instrumental in gaining us credence in the market. We maintain a stringent quality control regimen and ensure that these are provided in tamper-proof packaging. These apparel are suited for all kinds of formal and casual occasions & are also washable. The clients can avail these products in requisite quantity from us. We are lead by our visionary and well-qualified mentor, "**Mr. Rajesh Berry**", under whose leadership we have grown exponentially in a very short span of time.
