About Us

Based at Bhiwandi, Rajasthan (India), we, “**APS Enterprises**”, are one of the most prestigious organizations, involved in offering a number of **Man Power Supply Services** and **Security Services**. These services include **Contractor Labour, Housekeeping Services, Contractor Manpower, Supervisor Security Services, Detective Service** and a lot more. Our services are delivered by well trained personnel, who are always appreciated by the clients for their punctuality, dedication and proficiency in the assigned work. Apart from that, these services are offered at industry leading prices for our clients.

We have been leading this particular industry since the time of our establishment. Our services have become a benchmark for other organizations in the same domain. We have rendered our services to a number of sectors and institution such as **Elite Business Houses, Banks, Hotels, Industrial Units, Restaurants, Housing Societies, Showrooms, Government Establishments, Construction Sites** and many others. Apart from that, these services are rendered by very hardworking and dedicated professionals, who ensure the timely execution of all the organizational activities in a streamlined manner.

We are progressing by leaps and bounds under the able guidance of our mentor, **Ashok Singh**, who has in depth knowledge in this particular domain. His meticulous management strategies, ethical business policies and great support of the work force...
