About Us

APS International Pvt. Ltd. is a leading **Manufacturer** and **Importer** of **Wool Noil, Scoured Wool, Wool Silver, Wool And Wool Blended Yarn** etc. All our products can be supplied in raw as well as in dyed form.

Our manufacturing facility is located in North of India in the periphery of Ludhiana City and head office is located in Ludhiana City. The manufacturing facility is the second largest in north India and started its operations in the year 1982. During these years, the company earned a very good reputation for its quality, service and competitive prices under the dynamic leadership of its **Chairman Sh. Prem Gupta Ji** and while catering the Indian domestic market we expanded our market to overseas and currently exporting our products to Italy, China, Turkey and Egypt and still exploring other potential overseas markets to support our plans for future expansion of our production capacities.

We are having a production capacity of about 250 tons of wool top per month and we are able to supply 80 tons of wool noil every month. Our mill is equipped with its own laboratory and state of the art quality-testing equipments. Highly qualified personnel test and guarantee the consistency of the high quality of products. Despite the best possible automation in production, packaging and shipping/dispatches, every single package is inspected manually before being packed...
