About Us

Arch aid architects & Engineers Pvt Ltd is a highly professional firm of Architects Engineers & Interior Designers. The firm was founded in Dec -2000 We are focused on the creative & rigorous research & design of Architectural, Engineering & Interior environments.

This professional commitment based on quality work, helps us in achieving a long lasting & fruitful relationship with our clients, it is equipped with a fully computerized design studio as their basic working tool. Today, we are recognized as a regional leader in the industry, for our strength in traditional construction methods and for our creative, fresh approach to cutting edge technologies and delivery systems. Our expertise spans the construction industry spectrum, from smaller renovations to multi-million dollar projects. We specialize in healthcare and industrial facilities, commercial, institutional and educational buildings, telecommunications and data centers, as well as infrastructure projects such as water and waste water treatment plants.

Our success is driven by more than building some of the most advanced facilities for our corporate, institutional and government clients. More and more of our clients are turning to us for our distinctive ability to implement innovative project management techniques and to serve as a reliable provider of knowledge-driven solutions for their complex construction projects.

Our team of construction...
