About Us

Established in the year **1998**, We, “**Archis Agro Services**” in **Thane, Maharashtra**, have stood out amongst the paramount Traders, Exporters and Suppliers of an extensive array of **Solar Systems, Shade Nets and Garden Equipment & Accessories**. The products are highly demanded globally as these are easy to install & maintain and have a long serving life. The knowledge and experience that we have gathered over the past years have allowed us to undertake numerous operations and tasks. Our team of knowledgeable professionals performs all operations with immense dedication and commitment. While working, members of our team keep in mind the versatile conditions of the on-going market. The client oriented attitude inculcated within us has enabled us to associate with recognized and certified vendors. From their bases we obtain superior quality products that are further tested at our premises under the stringent codes and norms of **ISI**. Moreover, we have a warehousing unit that is capacious enough to safely store products until their final dispatch. Owing to our inexplicably skilled mentor '**Mr. Chandrakant More**', we have reached pinnacle of success in our tenure. His ability to determine the varying conditions of the market and ethical development ideologies have aided us in establishing a major foothold in the markets of **Indian Subcontinent**.
