https://www.indiamart.com/arco-lifesciences/

We are a venerable organization involved in manufacturing and supplying an impeccable range of Contrast Media Injections, Ethimed Injections, Veterinary Injections, Generic Injections, Ophthalmic Products, etc.
About Us

We, Arco Lifesciences (I) Pvt. Ltd., are engaged in manufacturing and supplying Small Volume Injectables, Contrast Media Injections, Injections for Export, Veterinary Injections, Generic Injections, Ophthalmic Products, etc in India. Made under Aseptic & hygienic conditions, the sterile products we offer are widely known for their optimum quality. We make use of high-grade Raw materials to manufacture these products. Further, we ensure that our entire range is manufactured in compliance with the International quality standards. Owing to our expertise in the domain, we have been able to offer a wide range of products that is used in the medical industry. Our clients can avail this range in bulk quantities as per their requirements. Before the final delivery, we check the products on the basis of certain factors so as to maintain global standards. Further, we offer pack the products in high-grade material so as to ensure safe delivery at the client's end. We also maintain client-centric approach and ethical business practices that enable us to create a favourable position for ourselves. Under the expert guidance of our CEO, 'Mr. Narendra Agrawal', we have been efficiently catering to the needs of the clients. He holds vast knowledge in this domain that helps us in attaining goals of organisation.
