# Aria Aerial Platforms Private Limited

<https://www.indiamart.com/ariaaerialplatforms/>

The firm has achieved a reputed place by successfully providing the world class rental service of **Boom Lifts, Scissor Lifts and Spider Lifts**. Our entire work is carried out by our experience and skilled workers.

## About Us

Incepted in the year **2013, Aria Aerial Platforms Pvt. Ltd.** is amongst the well recognized rental service provider for Boom Lifts, Scissor Lifts and Spider Lifts. Our services are widely catered in different industries such as Fabrication & Engineering, Oil & Gas, plant and construction Installation. The whole services that we provide are concentrated towards having our valuable clients satisfied completely. Therefore, we provide them services as per their needs and specifications, without negotiating over quality and make sure to make delivery and service within committed time period. Transparency, in all dealings we make with our customers has been preserved and in turns, we have achieved the trust of vast number clients across the nation. To add to this certain features that our services are more in demands are because of quality assured, moral business practices, transparent dealing, economical rates, customer centric approach, apt delivery, water proof packaging and best customer care. Under the efficient guidance of our mentor **Mr. Rajit Shah and Mr. Dharak Dedhia**, we have been able to achieve growth with his mentor ship skills. Team-combined expertise and management skills enabled us to sincerely meet the various standards and customized necessities of the consumers. It is due to our ethical business principles and wide distribution system, well recognized names of the market that clients demand for our service.
