## About Us

Arihant represented by technocrats with more than 20 years of experience offers its expertise in providing exceptional healthcare architecture, engineering, planning and designing. The company provides state of art exclusive service for healthcare architecture, engineering services, Project Management and project management consultancy. Also, we have unique expertise and experience in radiation shielding structures.

The firm was established in 2006, headed by Mr.Amit Jain, having 20+ years experience in hospital designing. He has worked for more than 12 years with Apollo Hospitals Enterprise Limited (AHEL). With his rich and varied experience in designing and executing prestigious hospital and healthcare projects throughout Asia pacific, the firm has dealt with a number of successful projects till date.He has been the pillar in making Arihant Engineers a signature name as hospital and healthcare designers.

Our expertise covers the full spectrum of healthcare building design including: full-service hospitals, medical offices, physician suites, ambulatory care, ambulatory surgery, emergency care, acute care, imaging, wellness, oncology, women's health, children's care, heart & vascular services, laboratories, surgery, obstetric suites, critical care, skilled nursing, psychiatric units and parking structures.

We provide solution from macro level planning to micro level planning of function and space utilization. Our reputation for excellence in design,...
