About Us

“**ARK Steel Sales**” got established in the year **2009** as a reliable **manufacturer** of quality approved products which includes **Chain Link Fencing, Welded Wire Mesh, Barbed Wire, GI Wire Mesh and many more**. We develop our entire range utilizing superlative grade raw materials and modern-day technology resulting in supreme range in terms of reliability and quality. Our offered range is acknowledged for its supreme quality, high strength, sturdiness and simple installation. We also **trade** the products such as **Binding Wires, Angle Poles, Cement Poles, Color Coated Sheets, Concertina Wires, Mild Steel Channel, FRP Sheets, Iron Beams and many more**.

We are supported by a modern infrastructural base that comes with the ideal combination of latest machines and veteran workforce. The whole unit is divided into different units such to streamline our business activities. Outfitted with latest machines, our production unit helps us to increase the production rate and cater to varied needs of our patrons on time. Our team consists of veteran experts who work with the only motto of offering cost effective products to our clients. The entire range is made using finest quality raw materials, which imparts sturdiness and reliability in our range.

Under the competent and motivating mentor ship of “ **Mr. Kapil Bhawsar** (Proprietor) ”, we have reached utmost position in this competitive...
