We are one of the eminent manufacturers, exporters and suppliers of an array of Vat Dyes. Arlex Chemi has been a renowned name in the ever flourishing Indian Dye Industry.

About Us

Established in the year **2000**, we, "**Arlex Chemi Private Limited**", are engaged in manufacturing, exporting and supplying an array of **Vat Dyes**. Our range is manufactured with the aid of high-end technology and quality material. We offer quality products such as **Vat Red 1, Vat Soluble Dyes, Vat Dyes, Vat Paste and Vat Micro Disperse**. Purity, colorfastness, easy applicability, accurate composition and non-toxicity are some of the features for which our range is appreciated by the clients. Our quality range finds application in cosmetics and textile as it is at par with the prevailing industry standards.

Under the guidance of our mentor, "**Vinod Paharia**", we have been successful in attaining the goals set by the management. The combined efforts of Mr. Prakash Khatiwala and Mr. Vinod Paharia have resulted in establishment of Arlex plant at Tarapur in the year 2000. Day to day activities of the Arlex is managed by Vinod Paharia, who has an experience of 30 years.

All the production of our range of Vat Dyes takes place at the manufacturing unit, which is ISO certified. At this unit, we make use of sophisticated machines and equipment to attain the desired result. All the chemicals are tested on various factors to ensure these are safe-to-use and are low on toxic level. Owing to all these factors, we have been successful in catering to the requirements of the clients from the markets of USA,...
