## About Us

MobiGuru is an innovative world-class cloud based platform aimed at enabling smartphone users to evolve and maximize their usage of smart devices. The Solution will facilitate increased smartphone usage thereby helping the entire mobile ecosystem ! The End User, Carrier, OEM, Mobile Developers, VAS Cos - all benefit from MobiGuru !

With Smartphones poised to become the Primary Screen for the masses - Internet access, media consumption, personalization, social networking, gaming, etc., Smartphones are the next logical step for the consumers in a increasingly digital mobile village. MobiGuru Solution provides an intelligent combination of innovative technology and fresh ideas in this changing landscape. The Solution engages the user on deriving the maximum benefits of Smartphone at his time, his place and in a non-intrusive manner.
