## About Us

Incorporated in the year **2014** at **New Delhi (India)**, we “**Arise Earth Movers**” are foremost and renowned **trader, wholesaler, exporter and supplier** of the best class range of **Undercarriage Parts, JCB Parts, JCB Spare Parts and Hydraulic Spare Parts**. These spare parts are manufactured as per the defined quality norms by making use of quality approved raw material and the latest technology at vendors’ end. These spare parts are highly treasured in the market for their precise design, excellent strength, accurate dimensions, easy installation and durability. We offer these spare parts in various sizes, dimensions and shapes, to achieve the maximum satisfaction of the clients. To store these spare parts in an organized manner, we have also developed a large warehouse that is handled by our storekeepers. Besides, we provide these spare parts in bulk quantity within given time period at most genuine rates. We are providing our products under the brand name **hyndai**.

Our offered spare parts are procured from the renowned and authentic vendors of the market. With the support of our procuring agents, we select our vendors on the basis of their financial condition, manufacturing techniques, quality of the spare parts, delivery schedule, client-focused approach, etc. Our vendors also assure us that provided spare parts are stringently checked on different parameters, to provide our...
