About Us

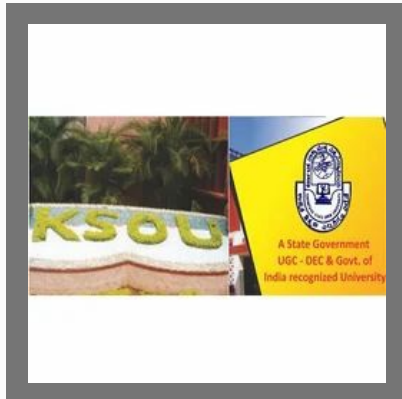

LEARN TO LEAD Education is the most important key to success. There can be no better way to enhance your qualifications than to pursue your career goals even when you are working. This can be made possible by attending part time or weekend classes at your convenience, without impacting your current job or earnings. Arth Prakash Institute makes it happen for you, and gives you the opportunity in a cost-effective way to learn and lead in this ever evolving world. Established under the aegis of The Arth Prakash Educational Society (Regd.), the Arth Prakash Institute trains youngsters in Journalism giving them hands-on experience of working in its Hindi daily ARTH PRAKASH. Along with this, API help you get qualified with the variety of Industrial Training / Short-Team Courses that we offer across different industries like Computer Basics, C, C++, JAVA, .NET, PHP, SEO, Web Designing, Tally & Accountancy, Learn - Spoken English, Personality Development & Communication Skills, IELTS, Labour Laws & Industrial Relations and coaching for Commerce, Accounts, Non Medical, CTET, UGC- NET and many more. Arth Prakash Institute also offers Degree/Diploma courses under distance mode through India's most preferred UGC, DEC, AICTE, MHRD, Govt. of India recognized and approved Distance Education Universities, where you can pursue graduate & post graduate...
