About Us

Established in the year 2006, at Kolkata (West Bengal), Artificial Eye Co is not only a company but a vision in the services of Artificial Eye sector. We are a reckoned Manufacturer and Wholesale Supplier of Artificial Eye, Conformers, Artificial Eye Making Products, Low Vision Aids, Prosthetic Contact Lens and Spectacle Accessories. We are also registered under the West Bengal Government, exhibiting our authenticity and wide ranging acceptability. Dr. Sumitra is the Director of the company, who has been in a forefront figure in the sector with her rich experience and knowledge. She is a qualified Ocularist and has presented various papers on the subject in several seminars and conferences across the country, and has various publications in magazines, newspapers, and electronic media. Vision Our vision is to provide better life to the one eyed people and partially sighted people with the help of artificial eye and low vision aids. We wish to help the disabled person in overcoming their disability. Mission We have a mission to achieve excellence and appreciation from the patients and clients along with timely delivery of the products. History Artificial Eye Co started its operation with a small room. The company was formed by Dr. Sumitra. After passing through the time, and with effort and endeavor, it crossed the boundaries and established a setup outside West Bengal. Furthermore, the desire of expansion and to increase the awareness about the art of making...
