About Us

Arunachaleswarar Plastics was established in the year **1992**. We **manufacture and supply** a large range of **Plastic Liner, Plastic Bag, LDPE Roll, Spinning Mill Cone Cover** and many other products as per the needs of the customers. The quality material is procured from reliable vendors which make products best in terms of quality as well as the most favored choice of large customers. Our products are checked by our quality controllers on various quality parameters to ensure clients that they are free from any kind of error. We are getting appreciation from clients for making ethical business rules and policies which in turns enables us gaining the maximum support as well as trust of customers based across the country. Highly applauded for their matchless attributes, our products have found application in various sectors and this further has enabled us remaining step ahead of our counterparts. Apart from above mentioned factors, we ensure clients' providing timely delivery of the specified orders without compromising with quality. The niche we have achieved is the result of diligence and cooperation of **Mr. Ravi. (Managing Director)**. His expert advice to the team helps a lot in achieving the company's target. Our team works in unity which is their strength and helps them to produce large number of products timely and effectively. The members of our team comprise quality controllers, experts, professionals, engineers...
