Arvind Mechanical & Electrical Engineers Private Limited

<https://www.indiamart.com/arvind/>

We are one of the leading manufacturers, suppliers and exporters of Fan Blades and Impellers. Our products are appreciated for their high efficiency and robust construction.

About Us

Established in the year **1963**, we, “**Arvind Mechanical & Electrical Engineers Pvt.Ltd.**”, are one of the sought after names in the domain of manufacturing, importing and exporting industrial **Fan Blades and Impellers**. All our products are fabricated as per the industrial standards and thus we have successfully been able to garner a huge client base across **East Asia, Middle East, South East Asia** and **Indian Subcontinent**. Our professionals follow ethical and transparent business policies. They make all possible efforts towards offering our clients the best quality products. The range is in compliance with the requirements of our clients and can also be customized as per the specifications laid down by them. Owing to the international quality standards of our products, these are demanded in **Indian Subcontinent, East Asia, Middle East** and **South East Asia**. Our list of clients includes **UCPL(FEDDERS), Envair Electrodyne Ltd. And ETA Engineering Pvt. Ltd.** The growth that the organization has seen over the years has been possible under the guidance of our mentor, “**Mr. Rabindra**”. He holds long years of industry experience and is well versed with the process. With the cooperation of other team members, he works towards the achievement of our organizational goals within the stipulated time frame.
