

ARYA SMART CITY PRIVATE LIMITED

<https://www.indiamart.com/aryacomnet/>

We are an ISO 9001:2000 certified importer, exporter, trader and supplier of a wide assortment of Security Cameras, Converter, DVR and Other Accessories. Our range finds applications in residential societies, schools, malls and colleges.

About Us

Established in the year **1999**, we, “**Arya Comnet Electronic Security Systems**”, are one of the **ISO 9001:2000** certified organizations, engaged in importing, exporting, trading and supplying a wide assortment of **Security Cameras, Converter, DVR and Other Accessories**. Our range consists of **Specialized Camera Video, Speed Dome Camera, Converter, Camera (480 Series & 420 Series), Zoom Camera, DVR and Accessories**. Our range is procured from the certified vendors of the market, who design these in compliance with industry standards. We started our business operations with an aim to achieve maximum customer satisfaction by providing them a qualitative range of products. In addition to this, we have a vast track record of achievements that consists of introduction of the latest technology, **in-house innovations, time bound executions of assignment** and excellent **after sales support**. Further, our access control system consists of **biometric technology** like **finger print registration, iris registration and face recognition**. For protecting the pilferage from stores, houses and warehouses via **RFID tags** and sensors, we are in the process of importing technology. Our **six corporate offices** and wide distribution network of dealers across the market enable us to deliver all the consignments within the schedule time for achieving maximum satisfaction of...
