About Us

A.S. Fabrication was established in the year 2013. We are manufacturer of kitchen trolleys, safety doors, window frames, grills and many more. We are engaged in offering optimum quality kitchen utility trolleys . These trolleys are used in commercial kitchens for carrying food items and kitchen products from one location to another. Our offered frames are widely suitable in the windows of various residential and commercial areas such as homes, offices, buildings and restaurants. We are engaged in manufacturing an extensive range of rolling grill . These shutters are widely used in various shops. We manufacture our entire range by using premium quality raw materials.
