About Us

With a legacy of more than 60 years, Ashapura is a leading multi-mineral solutions provider with a global footprint, having a wide network of operations in several states within India and in 7 other countries. Our captive mineral resources, state-of-the-art manufacturing base, cutting edge research capabilities, logistical prowess and 2,800 dynamic, progressive, result oriented employees accord us global leadership in several segments. Our consistent quality and our ability to customise mineral solutions make us a preferred supplier to multi-nationals in more than 70 countries across the continents. Ashapura means “Fulfilling Aspirations”; we believe that sustainable growth occurs only when we fulfill aspirations of all our stakeholders such as customers, employees, shareholders, the environment and the society as a whole.
