Ashirvad Industries

https://www.indiamart.com/ashirvadind/

Manufacturer of machinery for Composite Industry, Pultrusion Machine, Pultrusion Equipment, SMC Machine (sheet molding compound machine), Polymer Insulator Plant Equipments.
About Us

We were established in the year 1986, under the visionary leadership of Mr. K. M. Gajjar. Being a mechanical engineer and having vast experience in ceramic and composite industry, he established our organization to work in designing, manufacturing, assembly, finish and maintenance of industrial equipment like special purpose machines for ceramic glazed tile plants, double disc booth, water scrapper device, dry scraper device. Our business turnover is Rs. 80 lacs. We have an experienced team of technical experts who are skilled to operate our machineries and manufacture products in varying volume and sizes as per clients’ specifications. Our production process begins with client’s need analysis and we exchange suggestions with them to make sure that what we do is what they demand so that machines can be customized for specific applications. In this process, we have successfully introduced Pultrusion Machines used in the production of composite sections by pultrusion process & compression molding.

NEW ITEMS

- Pultrusion Machines
- Reciprocating Hydraulic Pultrusion Machine
- Caterpillar Puller Type Pultrusion Machine
- Pultrusion Process Machine
OTHER PRODUCTS:

- Pultrusion Machine
- Accessories
- Sheet Moulding Compound Machine (SMC)
- Pultrusion Mold
