About Us

Asian Diagnostics, established in 1999, is one of the premier diagnostic centers in Karnataka. We are proud to introduce In-Vitro, Skin-prick and Patch allergy tests at our laborator. by virtue of our well-trained staff and state-of-the-art facility, we now perform allergy test for more than 500 commonly found allergens.

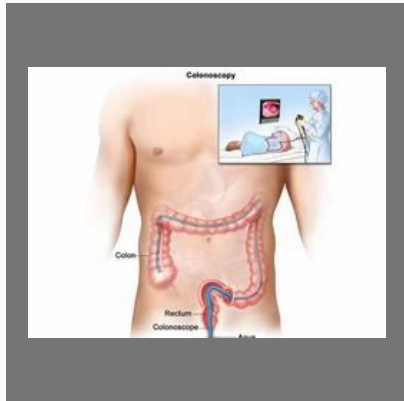

Asian Diagnostics has grown to be the largest allergy care centre in India performing allergy tests for food allergens,environmental allergens, contact allergens and drugs. We also have the facility of parenteral and sublingual immunotherapy for treatmentof allergie. In addition to this we also perform more than 3000 pathology tests. We are open round the clock, throughout the year including holidays.
