## About Us

Start a professional decorating business to help homeowners and business professional create a personalized space for their home or office. Aslam Bhai Rakhi Wale decorators work with a variety of people with different tastes and decorating goals. Although you do not have to be formally educated in design to start a decoration business, you should enjoy working with people, learning about the latest trends in decorating and have some business management knowledge. Building a client base through referrals and additional projects from existing clients is one way to maintain steady profits.
