About Us

Originated in the year **2012**, at **Kanpur (Uttar Pradesh, India)** with its roots in the garment industry, we, **Aspen Manufacturing Co.**, are presently reckoned as the largest **manufacturer, exporter and supplier** of **Pet & Equestrian Products from Leather Dog Collars, Leather and Chain Leads, Leather and Textile Harnesses, Leather and Textile Dog Coats, Dog Toys, etc.** These are manufactured by our team of extremely skilled designers and craftsman using optimum grade fabric and latest stitching techniques at par with set industry standards. The fabric and other allied material we use in the manufacturing process of this range are procured from some of the reliable and reputed vendors of the market. Keeping in mind the vast requirements of our valuable clients, we offer our broad range in various designs, colors, fittings, patterns and sizes. Owing to their unique, exquisite design and attractive look, neat stitching and color-fastness, these are highly acknowledged among nationwide clients thus extensively demanded in domestic market. One of the main drivers for sustainability and competitiveness is to ensure quality delivery in assuring time-frame. For this, we have established a sophisticated infrastructural base that is fully equipped with all the requisite and advance machinery and techniques. All the processes starting are managed in-house that ensures a complete quality control. To bridge the gap between demand and supply, we...
