We are an authenticated exporters and importers of premium quality perishables that are rich in nutrients and possess remarkable freshness. Owing to their excellent taste, these are widely appraised by our clients and highly demanded in the market.

About Us

Established as a **sole proprietorship firm**, in the year **1987**, we, '**Asra Enterprises**', are an authorized **Exporters & Importers of Perishables**. These supreme quality products are procured from the most authentic vendors of the industry. Besides, these tend to be highly rich in nutrients and render amazing taste. We are widely acknowledged by the clients, as we ensure their optimum satisfaction by providing them our range of hygienic and healthy food products. Further, we believe in consistently maintaining the quality standards. This is ensured through the support of our experienced workforce. We have built up sound ties with some of the reputed vendors of the industry, opted by our talented procuring agents. Further, all the products are thoroughly inspected and tested on several quality parameters by our quality analysts. Besides, we believe in maintaining clear and transparent dealings with our esteemed customers. This has enabled us to gain their trust and respect. Further, we ensure that the food items are appropriately packaged using quality packaging material and dispatched to the clients within the stipulated time frame. Owing to these reasons, we have received rich accolades from the markets across **Middle East, South East Asia, and the Indian Subcontinent**. By following the footsteps of our mentor '**Mr. Azeem Ansari**', we have been able to deliver an exemplary quality assortment to the clients. His...
