Maintain quality and design of highest parameters to serve clients effectively at all times. We are largest manufacturing furniture unit in eastern india, having strong dealer and corporate marketing For DOMESTIC AND OFFICE FURNITURE.

## About Us

We are the largest manufacturer of steel almirah(RAJA BRAND) for domestic & office. Our exotic range of Steel Furnitures keeps homes, offices and commercial set ups in most elegant and functional mode. Our **Kolkata** based organization, **Associated Steel & Engineering Works**, an ISO 9001-2000 certified company, came into being in the year **1970**, with the mission of introducing to the market an exotic range of steel furnitures that would make living and working a memorable experience. Today forty two years down the line, as traders and suppliers our name is associated with grace, utility and the belief that beauty is affordable and not short lived. We have matured like vintage wine, and with the passage of time our capabilities and confidence have multiplied to discern the market trend and what exactly is that the client wants. Very often we determine what works best for clients which have worked to maximum advantage to them. Over the years we have garnered tremendous appreciation from clients spread across industry verticals. The wide application of our furnitures makes it mandatory for us to diversify our range to do equal justice to varied client requirements. We have made impactful stride in the domain under the inspiring guidance of our mentor **Mr. Shyam Ghosh**, whose ideology and experience have propelled us to a vantage position in the industry of elegant stainless steel furnitures. Encouraged by his vision we have...
