Atlas Products is an established manufacturer and supplier of **Diamond Glass Cutter, Diamond File, Head & Cut-Off Wheel** and **Vacuum Lifters**. The products offered by us are designed for precision cutting.

About Us

Established in the year 1988, we, “**Atlas Products**”, are one of the established manufacturers and suppliers of a premium quality range of **Glass Cutter, Diamonds File, Heads & Cut-Off Wheel, Vacuum Lifter and Wash Basin Drills**. In this product range, we offer **Carbide Wheel Cutter, Glass Cutter-Economy Plastic, Glass Cutters, Aluminum Deluxe, Glass Cutter-Economy Deluxe** and **Glass Cutter-Standard Plastic**. Furthermore, we offer **Diamond Glass Cutter-Round Cutter, Round Cutter Pin Holder, Spare Vacuum Base Cutter, Vacuum Lifters, Metal Bond Diamonds Countersink, Metal & Bond Resin Wheel** and **Metal Bonded Drill**, among many others. These glass cutters and allied products are highly appreciated in the market for excellent performance, longevity, low maintenance and precision cutting. Diamonds used in the cutting tools offered by us are special crystal diamonds of very high grade quality.

Since inception, we have been manufacturing optimum quality glass cutters. With the aid of our diligent team of professionals, we have been able to make outstanding progress in the field of "Glass Cutting Tools". In 18 years, our firm has about 18 products to its credit. Optimum quality cutting tools offered by us are extensively used in the field of toughened glass. Superior quality crystal diamonds & powders procured from trusted organizations are used in the manufacturing process of the products offered by us....
