Manufacturer of back painted glass, bend glass, basin counters etc.

## About Us

We are A Touch Of Glass, located at Koparkhairne in Navi Mumbai (New Bombay). We are stockists for Saint Gobain, Modiguard and HNG brands of float glass...possessing our own Computerised Edge Polish machine that allows us to give a "polished to perfection" edge to our glass. **Glass is a Beautiful and Practical Material** It brings colour, light and texture into your home. Whether you are looking for a classic or contemporary feel, glass can accommodate most styles or taste with a timeless appearance and quality finish. You may choose from a selection of clear, opaque or translucent glass options depending on the nature of the application.
