## About Us

One of Bangalore's Emerging , Award winning & leading architecture & Interior Design and Turnkey Firm, established in 2015. The firm works at multiple scales and with various organisations right from private clients to Corporate . This allows us to experiment and diversify our work: Interior & Architectural projects such as luxury villas, high end residences and unique offices, as well as hospitality & institutional projects.

August Architects approach is to re-connect Interiors & Architecture with nature, make optimum use of space, natural materials, lighting & landscape to reinvent and transform living environments and urban spaces.

Our forte is attention to details and customization. Honesty to design, client satisfaction, and sustainability are the driving forces, along with the ability to constantly explore & evolve.

We are dedicated to unique design approaches adapted to each project, and achieving a balance between functionality & aesthetics, context, climate, material, cost & time-frame.

Our commitment to creative excellence and finding the right solution is matched by impeccable attention to details. We are also committed to provide originality in design, fitness for implementation, value for money, labour for workmanship and solutions that are commercially effective.
