Autodoor Industries began its operation in 1990 in the field of Automatic Opening Electronic Systems.
About Us

Autodoor Industries began its operation in 1990 in the field of Automatic Opening Electronic Systems. Today, AUTODOOR has become one of the leading suppliers and are pioneers in the field of:

- Automatic Entrance Door Systems.
- Automatic High Speed Special Application Doors
- Automatic Entrance Swing / Sliding Gate Systems.
- Automatic Traffic Barrier / Spike Barrier Systems.
- Automatic Rolling Shutter Systems.
- Security & Surveillance Systems.
- Access Control Systems.
- Frameless Glass Glazing Concepts And Door Hardware.
- Lexan Bullet Proof Sheets.

With a track record, that spans more than 20 years and a clientele that includes prestigious organizations like Parliament House Of India, Air Force Headquarters, U.K. High Commission, Embassy of U.S.A, The Honda Motor Company, G.E. Motors, Escorts, Hero Honda, and many more Embassies, Multinational companies, Government undertakings, Indian Corporate etc. We are one of the few companies in the automation industry to supply, install and support our range of products throughout India. This gives our customers one point of contact and the assurance that all aspects of the contract are carried out to the most stringent quality standards. Quality is very much at the core of our philosophy, differentiating by the quality of our products and workmanship. We represent the world leading companies M/s SEA s.r.l. USA (Formerly of Italy) and M/s DORMA of...
