Avancar Trade Advisors Private Limited

<https://www.indiamart.com/avancarsecurity/>

We are reckoned as one of the leading manufacturer, exporter and supplier of surveillance system, office automation systems and home automation systems. Our range of electronic equipment is widely used in domestic and industrial sectors.

About Us

Incepted in the year **1998**, **Avancar Security & Access Services**, has established itself as an eminent **Manufacturers, Exporters and Suppliers of Electronic Surveillance Systems & Automation Systems** can be broadly categorized as **CCTV system, DVR, Time Attendance System, Burglar Alarm System, Video Door Phone, Office Automation, Home Automation & Vehicle Tracking System**. We are a professionally managed company and a sister concern of Telenet shopping group that has ventured into the field of offering surveillance systems and automation systems. Under the able guidance of our mentor **Mr. Sanjay Shukla**, we have been successfully catering to our widespread clients. We have wide network system with head office located at Mumbai and branch offices based at New Delhi & Lucknow from where we conduct our business activities. Our capability to design and manufacture electronic equipment within a stipulated frame of time has enabled our company to achieve the prestigious status of export house.
