Online Card Payments Facility Our payment gateway system is able to process Visa, Master and American express Card payments. Let us clear your doubt first, you must be not sure about the process as there is a fear about the leaking of information. We make you ensure that your bank is major here and all the personal information of customers remains with the bank only without our interference. In few seconds (depending on your internet connection) your bank will issue an authorization code and confirmation of completion of transaction takes place by using online payment gateway system. If the payment on the credit card is declined for some reason, alternate payment instructions must be received by TripOnTime 72 hours prior to the time of departure; else, the order is liable to be cancelled.

We charge a service fee on all domestic airline bookings. This fee is non refundable in case of cancellation of reservation. It is not...
