About Us

Avijeet Agencies is a civil engineering company, involved in the construction of road infrastructure products for both the government and the private sector. Avijeet agencies has been involved as a contractor or a subcontractor in projects which such organizations as Larsen & Toubro, Tata and Shapoorji Pallonji. As a member of the Indian Road Congress, Avijeet Agencies is involved in the introduction of various new technologies in the Indian civil engineering sector. We are proud of the fact that we are actively participating in various research projects with organizations such as the CRRRI and NRRDA and several research papers have been published by the Indian Road Congress that were written by our employees. Avijeet Agencies has divided its activities currently into two segments of the road construction sector, namely the construction of rural roads for various government departments and industrial roads. Avijeet's involvement in these markets has been experiencing rapid growth due to the fact that we are able to provide our clients with substantial cost savings and improvements in the overall quality of their road structures. Avijeet Agencies has a head office in Chennai and a branch office in Pune.
