About Us

Established in the year **1990**, we, **AVS Incorporated**, are a highly acclaimed **Wholesale Trader and Exporter** of premium quality **OT Light, X Ray Units, Hospital Furniture, ICCU Monitor and much more**. These are manufactured at our vendor's end by making use of premium quality raw materials in optimum adherence to industry specified quality standards. These are available to clients in multiple specifications of shape, size and weight as per the requirements of the clients. The products offered by us are highly acclaimed for their ease of use, negligible needs for maintenance and lengthy service life. The quality of our products is stringently tested by a team of experienced professionals prior to dispatch in order to offer the best products to clients on a consistent basis. Our hardworking professionals strive to make products of the best quality easily accessible to clients at all times. Under the guidance and leadership of **Mr. Anil Kaveeshwar**, we have established our credible market reputation through our efficient and ethical business transactions and dealings. Our commitment to quality has played a significant role in making us a sought after firm for clients to associate with. We have achieved success through our quality centric business dealings.
