Occasions and celebrations are the two sides of a rolling coin, complementing each other over the years. These most happening and memorable occasions started getting recognition from the year 2007.

About Us

Occasions & celebrations are the two sides of a rolling coin, complementing each other over the years. These most happening & memorable occasions started getting recognition from the year 2007, when Avasar Creation has launched & introduced its ethnic men's wear collection. Completing successful half-decade in the industry, today Avsar has grown & earned its identity as the leader in Men's wear. Dazzling Designs, Popular Patterns, Large Collections, Stunning & mesmerizing varieties in fashion are the features which made Avsar popular & first choice of customers. "To deliver the quality products, meeting customer's budget" is the success Mantra of the entrepreneur & owner of Avasar, Mr. Krunal jain, who believes in engaging himself in fulfilling the dreams of people & managing their occasions in their budget.
