AV Weldtech Pvt Ltd

https://www.indiamart.com/avweldtech/

We, A V Weldtech Pvt Ltd, are one of the trusted manufacturer and supplier of supreme-quality of Welding Wire & Flux to our customers. These products are well known for their fine quality and high level of purity.
About Us

Established in the year 2011, at Nagpur, Maharashtra, India, we, “A V Weldtech Pvt Ltd,” are engaged in manufacturing, supplying & exporting a wide range of Submerged Arc Welding Flux and Submerged Arc Welding Wire. In this range we offer Saw Flux, Agglomerated Saw Flux, Agglomerated Flux, Agglomerated Submerged Arc Welding Flux, Saw Wire and Copper Coated Saw Wire. The offered products are formulated using high quality raw material and are in compliance with international standards. Owing to features like high accuracy, precise pH value and optimum effectiveness, these products are extensively demanded in various industries.

Our widespread and ultra-modern infrastructural facility is the most significant asset of our organization, which plays an essential role in our tremendous growth and success. This facility is divided into various functional units like procurement, engineering, production, research & development, quality-testing, warehousing & packaging etc. The systematic segregation of departments assists us in smooth and swift execution of entire business operation. Our production unit sprawling over a wide area is equipped with the advanced machines and cutting edge technology that are essential for offering a flawless range at fast production rate.

Our organization is backed by an experienced team of professionals that is the strength of our organization. These professionals...
