## About Us

AWALS CREATIONS started in year 1988 at New Delhi, is devoted to development of various educational and creative games & toys and pre-school products. We believe that innovation is a never-ending process and through the latest technology, our team of experts ensure familiarity, safety & durability in all our products. The company provides latest, high quality, safe & affordable infant, pre-school & children educational, wooden, creative toys and games. Our products are very reasonably priced & we aim at budding skills in children that will enhance their aptitude. We fosters learning and development through creative play in children from tiny toddlers to school age years. Our toys aims at developing creative thinking skills, eye-hand coordination, spatial skills, grip and muscle control, visualization and social skills and abstract thinking. Intelligence enlargement of children and value of money for parents are our key guiding factors with which we endeavor to become globally major player in our field.

AWALS games and toys are ideal gifting and return gift items for children as they spend endless hours enjoying with them.

"A SPECIAL FUN FOR EVERY LITTLE ONE" This is our motto and we live up to it.

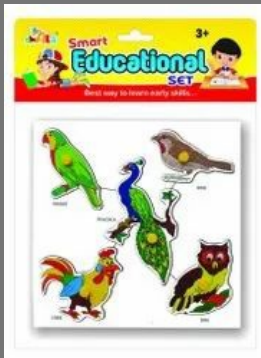

We too participate in various Domestic and International Toy Trade Fairs every year so as to create awareness of our products and to keep our customers updated with our upcoming range of new products. Our products are available all over...
