We are an eminent firm recognized as the leading Manufacturer and Supplier of Sulphur Powder, Wettable Sulphur, Sulphur Granules, etc. We also trade and supply premium grade Paraffin Wax and Mineral Turpentine Oil for our clients.

## About Us

We "**Axs Industries**" are expanding our business across the market by **Manufacturing** and **Supplying** qualitative **Sulphur Powder, Wettable Sulphur, Sulphur Granules, Benzene Sulphonic Acid**, etc. Our offered chemicals are highly effective and well known among our clients due to their balanced composition, reliable usage, long shelf life and moisture proof packing. At our well-facilitated production unit, these chemicals are processed as per the industry set norms. Our professionals' only use quality assured chemical compounds and the latest technology while processing these chemicals. Being a quality centric company, we assure our clients that these chemicals are stringently tested against numerous quality parameters, in order to provide an effective grade at clients' end. Apart from this, we also **Trade** and **Supply** a premium grade of **Paraffin Wax** and **Mineral Turpentine Oil**. These products are highly effective and insoluble in water. We provide these chemicals in safe packaging material in order to ensure their long shelf life and safe delivery. Our esteemed clients can avail these chemicals from us at market leading rates within promised time frame.

Established in the year **2002** at **Vadodara (Gujarat, India)**, we have developed an advanced and robust infrastructural unit that is the backbone of our firm and assist us in the production of premium quality chemicals. This infrastructural unit is...
