About Us

AZALEA BEAUTY CONSULTANCY INDIA (ABCI)

A salon and Spa Consultancy firm since 2010. In 2014, ABCI launched its own Academy called -

ISSHAA'S LOOK RAVISHING SALON AND ACADEMY.

About Azalea Beauty consultancy India Why we need salon and Spa Consultants.

Experienced Salon consultants can make your dream to own a Professional Salon and Spa come true. **Isshaa Mahmood, Owner and proprietor of Azalea Beauty Consultancy India** has been working as Salon and Spa Consultant since 2010. She provides Professional Guidance and Expert advice with analytic studies which assist clients in making the most appropriate decisions regarding the development of a spa, fitness center or multi-use leisure facility. Studies include market and demographic evaluation, competitive analysis, space plan recommendations and complete financial analysis.

Azalea Beauty Consultancy India also offers Operations plans for smooth and hassle free operations of Salon and Spa business particularly in regards to management and promotions for creating exceptional customer service while implementing the most cost efficient operational model. Azalea Beauty Consultancy India aims to create a consistently relaxing and enjoyable environment for guest members, hotel and resort guests, day spa users, community residents, and other patrons. Initial and ongoing training and support for Salon and Spa management...
