Azamin Enterprise Private Limited

<https://www.indiamart.com/azamin-enterprise/>

We are leading distributors for all types of welding accessories, equipment, environmental products, welding consumables, industrial adhesives or sealants, specialty maintenance products, heating equipment and process control instruments.

About Us

Established in the year **1983**, '**Azamin Enterprise Private Limited**' has made tremendous growth to become one of the distinguished distributors and suppliers of an elaborate range of Welding Accessories/Equipment/Environmental Products and Welding Consumables. We also take pleasure to introduce ourselves as a leading distributor of Industrial Adhesives/Sealants and Specialty Maintenance Products, and Heating Equipment and Process Control instruments. Our products are manufactured by our credible business associates, who utilize high grade raw material in the manufacturing process. Post production, each product is subjected to diverse stringent parameters to correct any defects that may have occurred during transit. This unbeatable range of products is widely demanded in market for its various characteristics like exceptional strength, light weight, resistance to corrosion and longer service life and dimensional accuracy. We are extensively committed towards incorporating absolute quality of our product line. Our ability to deliver a high quality product range has enabled us to carve a niche in this particular domain. We can provide you any special types of Welding Consumables(i.e. Imported Products). We are also the Manufacturers & Suppliers of Safety Equipment's and inclusive of Hand gloves, Aprons, Sleeves etc. of Canvas, Asbestos, Drill, Chrome Canvas as per the customers specification. We are...
