About Us

Established in the year **1999**, we **B2 India** have consolidated our position as a commendable Manufacturer, Supplier and **Exporter** of an exquisite range of **Apparels for Boys & Girls and Ladies & Gents**. This entire product range is manufactured by utilizing quality fabric like cotton, polyester, viscose, lycra along with modal, elastane combination and lurex yarns so as to ensure the tear resistance of the products. These are also stitched by making use of latest technology machinery for durable and neat stitching. Tested on diverse parameters, these products are admired for their regal appearance, splendid finish, comfortable fabric, resistance to color bleeding and strength. Clients can avail these products in various customized forms. We also provide **Home Furnishing Items & Agro Products**. We have established a respected name in the market for our quality-conscious and customer oriented approach. This feat has been achieved with the support of our talented workforce which comprises about 200 members. We are able to cater to the bulk requirements of a wide client base with the backing of a technologically sound infrastructure unit, which is equipped with latest machinery. Our capacious and commodious warehousing unit ensures a safe storage of the products till the time of delivery. Our customized solutions, timely delivery, easy payment modes, honest business practices and transparent dealings, we have acquired a widespread client...
