About Us

Babbu Tour and Travel, India drive by **Rajesh Kumar** . Our website is intended to give you a brief summary of our business and its services. Whether you are sourcing for a corporate customer or whether you are an individual or a businessman we are committed to providing a service that suits your needs and requirements. **Our Mission**

'MAKING TRAVEL A PLEASURE' which is our objective and our passion to provide the most reliable, efficient and professional business, corporate and tour operations available. We believe that old fashioned values and customer service should come as standard and not as an optional extra.

Today's society seems to have forgotten that its your clients and customers who keep you operating and that is why we are continually developing and upgrading our services to enable us to meet the varying and individual needs of each and every client. Since our inception we have maintained - and will continue to do so - an enviable reputation for reliability, and quality of service to not only our corporate customers but also to our large base of individual customers and clients; a reputation that we feel is second to none.
