It is now a well-established fact that the competence of a preschool curriculum has a significant impact during the child's early developmental years.

About Us

It is now a well-established fact that the competence of a preschool curriculum has a significant impact during the child's early developmental years. It is this segment of Early Childhood Learning and Development that BACHPAN.. a play school caters to.

As the words itself suggests, Bachpan refers to early childhood and Play school education is a phase of introducing children to fundamental learning through the use of a medium that is engaging, less straining and more recreational in nature. We, at BACHPAN, realize that the child's time spent with us is vital to initiate his/her intellectual and spiritual growth. We make a sincere effort in ensuring that the quality of Preschool Education is upheld across each of our branches through enrolling the best and most experienced Educators and employing the most innovative teaching aids, both classroom-study and outdoor-activities based.

We pride ourselves on the fact that within a span of 10 years our network of branches has grown to more than 1000, which in itself is an Education segment benchmark. However, we have made sure that our expansion hasn't come at the cost of making compromises on the quality of our Play school programme and this is what has helped achieve an enviable reputation as the nation's leading chain of Play schools.

Our kindergarten curriculum is remarkable because it has neither alienated the understanding of Indian values and social structure nor does it blindly follow the...
