We are a leading organization engaged in manufacturing and supplying a wide variety of Invitation Cards and Handcrafted items such as Sweet Boxes and Paper Bags. These products are made using recycled waste paper.
About Us

Established in the year 2003, we, Badhai, have become one of the renowned organizations in manufacturing and supplying Invitation Cards and Handcrafted Items. Our product range is completely exclusive and has gain huge demand due to its beautiful designing, clear printing and attractive color combinations. We even custom-design the products to give them the personal touch and make them special as required by the clients for a particular event. We are located at Pune, Maharashtra (India), which gives us the advantage of easy availability of raw material, well-trained resources, 24x365 days water and electricity supply and transportation facility. All these factors help us in smooth production and meet the consignment deadlines. Further, our factory is also well-equipped with latest machines and equipment for the cutting and printing of the products. This set-up enables us to easily undertake production on large scale. Mr. Vipin is our mentor and guide, and has helped us to conduct business on the principles of integrity and honesty. He has many years of industry experience and in-depth understanding of the market trends and client’s requirements. It is because of his efforts that we have been able to enjoy the status of being a preferred business associate.
