<https://www.indiamart.com/badshahtradingcorporation/>

Our organization is instrumental in Trading and Supplying a qualitative array of of Fasteners, Bolts and Screws. Procured from reliable vendors, these are renowned for compact design and Easy installation.

## About Us

We, **Badshah Trading Corporation**, established our operations in the year **2005**, as one of the celebrated trader and supplier of Fasteners, Bolts and Screws. In our product array, we are offering Industrial Fasteners, Metal Fasteners and Metallic Bolts. We have a strong association with our vendors that enable us to provide our clients with quality assured products. Our management selected these vendors after doing an immense market research and analyzing them on varied parameters like market credibility, industry experience, financial stability and client's response. They manufacture our entire assortment using finest quality components along with advanced technology and innovative techniques. Our team proficiently handles and controls all the process and allows us to satisfy clients in the best way. We have constructed a huge and spacious warehousing facility with excellent inventory management system that is well managed by our warehousing personnel. These personnel are trained in standard warehouse procedures and specific methods to handle unambiguous material. Also, we have systematically categorized our warehouse in various sections in order to store products as per their category. Further, this warehousing unit is also equipped with packaging facility that enable us to deliver products in supreme quality packaging material to ensure secure shipment at clients' end. Being a quality driven firm, our prime focus is to satisfy our clients and...
