About Us

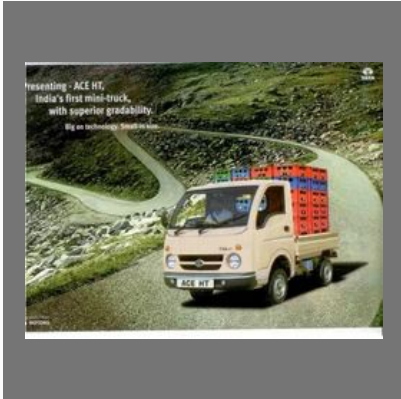

The journey begins with a vision, It was the vision of Shri. Mishrilal Bafna, who founded Bafna motors in 1956 to become a business group, rooted in the stability and value systems of a traditional business family, a strong customer focus and dynamic to respond to new challenges. Over the last five decades, Our values are our touchstone, defining the way we do business, set goals, respond to challenges and engage with varied stakeholders at all times. They are the core of our business philosophy, from the time we began and continue to be the guiding light in all aspects of our activity today. We started our operations by dealership of Tata motors in Aurangabad but since then have progressed into a Maharashtra wide network spanning from Mumbai to latur including Ratnagiri, Raigad, nanded and are now on the path to have a pan India presence. As an experienced and trusted business house committed to delivering solutions in keeping with evolving aspirations of customers, partners and associates, Bafna motors has a wide reach and recall value in the market. A financially sound, process and systems driven company, we have been growing consistently, achieving leadership positions in our areas of operation. Supported by a team of more than 2000 skilled employees and our robust network we sell over 15000 vehicles each year in different categories in Maharashtra. We believe that our customers are integral to us and It is our
