## About Us

Balkrishna Fabrics, today is one of the foremost manufacturers and wholesalers of Cotton sarees and salwar suits in India with the brand name of B. K. Sarees and B. K. Sarees which has in itself built a great goodwill and reputation satisfying its customers for more than two decades now! The journey started circa 1988 when the great visionary Shri Balkrishnaji Dokania started the business from Bhuleshwar, Mumbai the hub of textile business in India. As once said by a great man Success needs a cost to be paid which is hard work Balkrishna Fabrics today due to the perseverance, hard work and ambition of Balkrishnaji Dokania and his sons Mr. Sanjay & Sanjeev Dokania has spread its business throughout India. Having an influential and propagating strong-hold in the eastern and southern regions of India we have also started our advertisements on the vernacular channels of this domain. Due to our unique working system of always following our business ethics and tradition we have crossed many milestones creating a great bond of reliability, trust worthiness and integrity with our customers. Our Head office is situated at Mumbai and have an operations office at Rajkot also with more than 200 people working for our brand and being outsourced. With the help of our prodigious network of dealers today, we have thousands of retailers and showrooms throughout the country selling and promoting our brand. We provide you with a wide range of designer embroidered and printed sarees and suits...
