

Balaji Enterprise

<https://www.indiamart.com/balaji-enterprise-rajkot/>

Balaji Enterprise is one of the leading **manufacture and wholesaler** company of Eye wears and other optical equipments. Our products are highly acclaimed for their elegant designs, dimensional accuracy and durability.

About Us

we, “**Balaji Enterprise**” are a prominent manufacture and wholesaler of **Eyewears and other Optical Equipment**, Our products are acknowledged globally for their durability, dimensional accuracy and designer frames. We have a huge market base, in the regions like **Australia/NZ, Indian Subcontinent, East/Middle Africa, North Africa, Central America, South America, South East Asia, and North America**. We are completely trusted by our clients because of our good financial position and TQM. We are a privately held corporation with market value of \$ 0.25 Million and are based in **Rajkot, Gujarat**. We are facilitated by a state-of-the-art warehousing and packaging unit, which helps us in supplying our products in timely manner. The warehouse is installed with advanced facilities and is manned by highly professional workforce. Our transparent policies, ethical business practices and excellent track record have made us the most sought-after organization in the industry. We have achieved a laudable position in the market under the visionary guidance of our mentor, '**Mr. Manish Vadgama**'. Under his vast industry experience, market knowledge and managerial skills, we have gained a huge clientèle across the globe.
